

Farmville Rotary

FARMVILLE, VIRGINIA

JULY 2006

A MESSAGE FROM THE PRESIDENT

Greetings members of Farmville Rotary Club, District 7600, the club that I believe to be the best of the best.

I would like to begin by saying that I realize that there are others you could have chosen to serve as your President; therefore, I feel very humbled to be serving as 2006-2007 President of this club. I pledge to give the club all of the energy and dedication that I have. I am following in the steps of former Presidents Jeff, Laura and Greg, and their shoes will not be easy to fill. I will do my best to adhere to The Four-Way Test, serve with dignity and distinction and always put service first. My staff and I will have fun, honor the past, serve the community, grow the business and lead the way.

The goals of my administration include: increasing membership. There are now 58 recorded members in the Farmville club. My goal is to increase that number by 10% by June 2007.

In order to meet our Foundation goal of \$5,300.00, we are asking each member to contribute \$100.00 within the first 90 days of the new administration. We are seeking at least two Paul Harris Fellows who will make a contribution of \$1,000.00 and one benefactor.

Our local focus will be on domestic violence. We plan to meet with local law enforcement and social service to determine how best to aid the victims of domestic violence and prevent it in the community.

As a club we will continue to distribute school supplies to students in the Fall. We will again purchase Christmas presents for less fortunate children during the holidays. We will continue to support our college scholarship project and keep a keen eye on the community in order to be proactive in meeting needs that arise.

Again, I am honored to serve as your President. I look forward to meeting with you one on one to discuss any concerns you may have.

Let us move forward into the new year with renewed vision and excitement about our goals. Let us focus on our motto as we continue to meet the needs of others:

Service Above Self.
